Vienna Intensive

Vienna Intensive is a curated musical and cultural program for musicians that takes place in Austria hosted by Solmaaz Adeli, mezzo-soprano and Founder of Voice Academy SOL.

In this program you will participate in professional-led classes, perform in concert, work with distinguished faculty, and have the chance to network with peers and enjoy the great city of Vienna as well as the beautiful Austrian countryside.

Performances, classes, and excursions will take place at locations in Vienna as well as Vila Vita Pannonia on the edge of National Park Neudsiedler Lake. The program will be conducted in English.

“Sol is a true pleasure to work with, sensitive in leading and adapting to circumstances, extremely knowledgeable...we feel lucky to have had the opportunity to work with her.”
